## BARCELONA

"The best way to discover & enjoy the city"

### FOR INDIVIDUALS

## DAILY GUIDED BIKE TOURS IN ENGLISH

Our tour is ideal for everyone who speaks or understands English and wants to get to know Barcelona in a short time but in a relaxed way. Get to know the "must see" places, and also those away from the typical paths.

**THE TOUR:** we ride to the Gothic Quarter, Cathedral, Old Harbour, Ciutadella Park, Sagrada Família, Pedrera, Olympic Port...

The tour is about 3 hours long, and we ride mainly on cycling paths, pedestrian zones and parks. We make stops to hear the explanations of our guides, to take some photos and have a drink.

### TOURS FOR GROUPS

In each case we design the most suitable itinerary and organise stops in different parts of the city (cultural, pleasure, as a tourist, gastronomic...). Tours can be organised during the day or at night, combining it with stops for aperitif, lunch or dinner.

Transport of bikes is also available (to the hotel, restaurant...). All groups are accompanied by a multilingual guide-monitor and a mechanic-monitor.

For more than over 10 years many professional tourism services (Travel Agencies, Tour Operators, Tourist Offices, Convention Bureaux, Hotels...) and Companies, Cruisers, Councils, Universities and private groups have worked with "One Car Less-Bicycles", confiding in the quality of the service offered. We have 250 bikes and a professional team of guides who enjoy showing the city.
